

SPORTING CLAYS 2009

August 9, 2009 at Springs Rod and Gun Club

On Sunday, August the 9th, Springs Rod and Gun Club had the monthly Sporting Clays shoot. 15 people came out to shoot on a very hot and muggy day. Despite the heat, humidity, and mosquitoes, we all had a great time. The top three scores out of 50 targets: 1st was Scott Taylor with 38, 2nd was Dan Clark with 35, and 3rd was Gary Clark and Norbie Adam both with 34. The winner of the free shoot next month was Kyle Brooks. The sporting clays course through the woods is a very challenging course. It is much the same as going on a grouse hunt; with about the same results - a lot of birds getting away.

The next shoot will be on August 9 at the club grounds from 11am to 2 pm. Cost is \$10 for 50 targets which include a station with "rabbit" targets. Each month there will be a chance to win a free shoot the following month, and we are planning to have a trophy shoot on September 13.
